THE GLARK DIVIDE MINING COMPANY

Incorporated for 1.500.000 Shares, Owns 120 Acres

BOOKS OPEN FOR STOCK SUBSCRIPTION AT MIZPAH HOTEL Hundreds of mining men have visited the scene of the new strike made by Thomas J. Clark in the south end of Klondyke Divide district during the past week and it seems to be the general opinion that another of the big mines has been discovered. Although work has only started, further sampling of the big ledge running through the property for 2600 feet indicates that the first assays taken running from \$51.00 to \$278.60 per ton was no mistake and those interested are, if possible, more than

ever enthused over the possibilities of this great gold property.

The first allotment of stock is offered in Tonopah at 15c per Share

WE BELIEVE THIS TO BE ONE OF THE GREATEST OPPORTUNITIES FOR QUICK PROFITS Applications will be made at once to list the stock on the San Fran-
